ZOHAIB ALI DAYO
Information technology

RESUME OBJECTIVE

To secure a challenging position in a reputable organization to expand my learnings, knowledge, and skills, secure a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company.

EXPERIENCE

- I have 2 years of practical online experience in both Frontend and Backend development.
- I successfully completed a 3-month Web Development course at Bano Qabil.
- I also completed a 3-month Flutter course at Saylani.
- Currently, I am enrolled in courses on Web 3.0, Metaverse, and Artificial Intelligence at Governor Classes.
- I have practical experience in programming languages such as C, Python, and Java.
- I completed an extensive 3-month online training program focused on 3D modelling and animation using Blender, acquiring valuable skills in digital content creation.
- I am presently participating in an ongoing online program focused on app development.
- Furthermore, I am actively working on Fiverr and Upwork platforms.
- Clarify whether the ongoing online program is related to a specific platform or technology.
